# CAREY HILL SMITH

INTERACTION DESIGNER, MEDIA ARTIST

SMITHVISUAL.COM

'11

## MINDBLOOM

Worked as a web designer for a technology start-up in Seattle. Hired to help with the design and development of lifegame™ 2.0. Designed user interfaces and icons; built HTML prototypes, wrote the application's CSS, and helped launch lifegame™ on-time under strict deadlines.

'10

## ANDERSON RANCH ART CENTER

Worked with Executive Director Barbara Bloemink at Anderson Ranch, a world-class center for creative production. Enhanced and redesigned the Anderson Ranch interactive platforms. Designed, Developed and Edited the Anderson Ranch Blog. Participated in 2011 January Studio Intensive, working in the Digital Media Department.

'09

## TRAVEL THROUGH SOUTH AMERICA

Spent three months travelling through Costa Rica, Ecuador, Peru, Chile and Argentina on a shoestring. Braved 3500+ miles of bus-transit, and spent one month working with a jewelry maker in Santiago, Chile.

'08

## THE SPECTATOR

During three years of employment, filled job roles as designer, lead designer and web production manager. Led all art direction, design and illustration for the 20-page weekly newspaper. Managed three designers, and uploaded all content weekly to the paper's website.

## SEATTLE UNIVERSITY

Bachelor of Visual Arts  
Class of 2009

'07
